

SuperSmart®

Certificate of Analysis

Product Name	Zinc L-Carnosine Capsules	Lot Number	26A009
Customer Lot Number	26A009	Product Code	031
Manufacturing Date	01/2026	Expiration Date	01/2028

Testing

Physical:

Testing	Specification	Results	Analysis
Description	Clear Capsule with White Powder	Conforms	Visual
Size and Shape	Capsule Size "0"	Conforms	Visual
Weight	583.24 mg – 712.84 mg	666.83 mg	In Process Testing

Assay:

Name	Specification	Results	Analysis
Zinc(Zinc L-Carnosine)	17 mg (90% – 110%)	17 mg (100%)	By Verified Input

Other Ingredients: Vegetable Capsule (Hypromellose) and White Rice Flour.

Microbiological Testing:

Name	Specification	Results	Analysis
Total Aerobic Microbial Count	<10,000 cfu/gm	80 cfu/gm	Third Party Laboratory Testing
Yeast / Mold	<1,000 cfu/gm	20 cfu/gm	Third Party Laboratory Testing
E. coli	Absent	Absent	Third Party Laboratory Testing
S. aureus	Absent	Absent	Third Party Laboratory Testing
Salmonella spp.	Absent	Absent	Third Party Laboratory Testing

Heavy Metal Testing:

Name	Specification	Results	Analysis
Arsenic	<1.0 ppm	0.1752 ppm	Third Party Laboratory Testing
Cadmium	<1.5 ppm	0.0258 ppm	Third Party Laboratory Testing
Lead	<0.5 ppm	0.1606 ppm	Third Party Laboratory Testing
Mercury	<0.5 ppm	Not Detected	Third Party Laboratory Testing

This Certificate of Analysis verifies that the tested batch complies with established quality and safety standards at the time of testing. The information provided is accurate and complete based on the results obtained through our analysis and is approved.
